

AUSTRIA

Number of Universities

Austria has 73 higher education institutions of which 22 are public universities, 16 are private, 21 are universities of applied sciences and 14 are university colleges of teacher education.

Number of degree programmes

More than 2,000 degree programmes available at bachelor's, master's and doctoral levels.

Tuition Fee*

It depends on the institution: Scholarships and financial aid:

- **Universities:** For students from third countries (who are in possession of a Residence Permit-Student) \$S 1,179 per semester is generally required.
- **The Universities of Applied Sciences** are entitled to charge tuition fees. For more details please contact the institution of your choice directly.
- **Private Universities and University Colleges of Teacher Education:** Tuition fees differ from one institution to the next. Please contact the institution directly.

Scholarship programmes

Some grants and scholarships are available for international students <https://grants.at/>

Living costs

Students are required to have around \$S 1,500/month for living expenses.

Work

Students are eligible to apply for a work permit, subject to holding a valid residence permit to work in the country.

Life After Studies

Graduates can extend their residence permit for a maximum of 12 months in order to find a job. Info <https://studyinaustria.at/en/>
