

FINLAND

Number of Universities

13 Universities and 22 Universities of Applied Sciences (UAS)

International courses

Over 100 Bachelor's degree programmes and over 300 Master's degree programmes taught in English, as well as over 100 Doctoral programmes.

Tuition fee

For non-EU/EEA citizens the tuition fee for Bachelor's and Master's level programmes is between S\$6,000 and S\$26,000, depending on the university and degree programme; Doctoral programmes do not have tuition fees.

Scholarships

All Finnish higher education institutions offer scholarship options for international students who are required to pay tuition fees.

Living costs

Monthly living expenses for students (including food, accommodation, travel, insurance, etc.) are about S\$1,100-S\$1,500 per month, depending on where you live.

Work

Students may work in paid employment for a maximum of 30 hours per week.

Life after studies

Non-EU students can apply for an extended residence permit for up to two years after graduation, which is intended to help graduates in their search for work or start a business; Several cities and all institutions have employment support programmes for international graduates.
