

# GREECE

24 public universities,  
including 4 polytechnic schools,  
at the cutting-edge of research across many fields

More than  
170  
international study programs,

Greek universities have affordable  
tuition fees for International students.

On average, students pay  
a tuition fee of 5,000-13,000 Euro / year  
for international Bachelor's degrees,  
and 1,000–8,000 Euro / year for Masters.

Students with financial needs  
can often live in  
university residence halls for free.

If you choose to  
live in an apartment,  
the rent is between  
250 and 600 Euro / month.  
Monthly utilities costs around 80–120 EUR.
